Dev Shah

Computer Programming and Analysis @Seneca College
Scarborough, Ontario, Canada

Summary

Hello world! this is Dev Shah.

● A curious Computer Programming student who have effective
fluency in Logical thinking and Problem Solving.

● Possessing a strong desire to learn programming domains more
deeply by working in a real environment.

● Learning new concepts and upgrading my skills are my primary
targets.

● A candidate with Customer Relations and Communications
experience.

● Apart from this, I create content on social media platforms like
Youtube(The Caesar Tales) and Instagram(busycaesar.scm).

———
